Urgent Care- Advanced Diagnostic Studies

CT/US/MRI Patients

*M-F: We will offer the hours of 8am-8pm, in any office where CT or US is open.

All studies will be treated as STATs.

Fill out the Urgent Care form for all pts except Medicare pts. Scan the form into Zotec under Urgent Care. Email the patients MRN and DOS to your PAR and CC Maureen Rupert.

CT in Galloway is open until 9pm M-TH

Hammonton UC cases will not be sent to AMI offices past 7:30pm. These cases should be directed to the nearest ER.

*Weekends: Saturdays-Direct all Urgent Care patients to SP 8am-noon (includes On Call) and direct all patient to Galloway from noon-8pm.

On call hours- CT Noon-8pm, US 4pm-8pm

MRI open in **Gall** until 8pm with a stat slot(6pm) for UC pts

Sundays-Direct all Urgent Care patients to Gall 8am-8pm (includes On Call)

On call hours- CT 8am-8pm, US 4pm-8pm.

(US already open 8am-4pm, MRI already open 6:30am-5pm)

*All UC patients will be sent to the ER on the six major holidays that AMI is closed.

*Calls from Urgent Care will come through the Galloway office 609-652-7349, M-F 8am-8pm, Sat-Sun 8am-4pm. All clerical staff will be considered a point of contact.

*On Call-1 cell phone (609-437-3434) will be given to the Hammonton CT tech. The tech will receive all calls from Urgent Care on Sat and Sun between 4pm-8pm. The Hammonton tech will contact the CT/US tech on call. The CT/US tech will then call the on call receptionist (At the number they wish to be contacted on). CT Hammonton direct line 609-878-9705

*Depending on when we are seeing the STAT from UC, either the AMI rad or the Rad working at ARMC should read the case.

* UC requests for contrast on weekend. From 5p-8p the tech must speak with the Rad working the 5p-11p to discuss the case. The Rad will advise if contrast will be given and where the patient should be imaged.

*On Call pay-If called in employees must report to the office with in one hour. If called in they will be paid a minimum of 4hrs at time and one half, plus \$3.00 per hour on call pay. (If not called in \$3.00 per hour will be paid for 4hrs).

Urgent Care- Internal Xray Reads

Cross Keys, MT Laurel, Berlin

- * Patient is imaged at UC Cross Keys, Berlin or MT Laurel
- * Images are automatically uploaded to AMI PACs, study must be marked as STAT
- * Patient information sheet is scanned into PACs by UC Techs
- * UC calls AMI EHT office
- * Front desk at EHT will retrieve the patient info sheet from PACS, schedule, register and complete the exam in Zotec
- * Front desk will change the accession number and MRN to match what was generated from Zotec.
- * AMI Rad will read and dictate xray
 - Postive findings will be called in to UC by the front desk where the Rad is reading.
 - If no front desk staff, during AMI hours, the Rad should call EHT X33190 or 609-646-6102
 - If AMI is closed, results can be called directly into UC, phones numbers below.
- * UC Tech will retrieve prelim and/or final report from PACs
- * Exams between 5p-8p on Saturday will be read on Sunday
- * Exams between 5p-8p on Sunday will be read on Monday
- * AMI Holidays hours- exams will be read the next business day
- * UC xray hours 8a-8p, 7 days a week

Urgent Care Oral Prep Instructions

CAT Scan Abdomen/Pelvis

- * The Urgent Care doctor will decide if they want the patient to have oral and/or IV contrast.
- * If so, Urgent Care will dispense 1 bottle of Read-Cat 2 (Barium Sulfate Suspension) to the patient.
- * The patient will drink the Read-Cat while at the Urgent Care.
- * Once the patient sent to AMI, we will scan the patient 1½ hours after they have drank the oral contrast.

Exception: (renal stones, arterial angiograms and Urograms) No drink necessary.

Emergency stats Process:

IV Rule out cord compression

(note: *if multiple spine studies ordered, all must be done stat the same day*)

CT PE - Pulmonary Embolism

Head – if referrer indicated it is stat

US DVT (unless chronic bilateral leg swelling where referrer states not urgent);

Ectopic pregnancy; Testicular torsion

- Referring physician initiates – one of the diagnoses above, or *physician states they want the patient seen right away*.
- Call is placed to Scheduling directly at **35151 or 677-9729**
- Scheduler **will immediately contact Office Administrator** during regular business hours, **or call Modality** (if OA is not immediately available) and advise of an incoming emergency stat.

(Typical) Stat Process:

- Referring physician initiates – physician advises it is a stat, but is not concerned with time given by Scheduler
- Call is placed to main scheduling number **35151 or 677-9729**
- Patient will be scheduled within 24 hours

Courtesy stats Process:

- Referring physician office staff, Marketing Reps, and family members should be advised to call:
 - **Lisa Wheaton** (Lead Scheduler) **35104 or (609) 568-9180**
 - **Mary Lorick** (Assistant Lead Scheduler) at **35154 or (609) 568-9192**
- Advise that they were instructed by Dr. _____ to be added to the schedule as soon as possible.
- Scheduling will make every effort to add the patient within 24 hours.
- Scheduling Supervisor will be advised by staff of Courtesy Stat. These stats will be monitored to insure the process is working.
- Issues should be immediately communicated to Liz Caruso 32114 or (609) 568-9110

Note – all numbers have been added to the Quick Reference Phone list

1/24/2014
