

REGIONAL SITE SCHEDULING

All locations except for “Local 54” are now grouped by region; “North”, “South” and “West”. This will assist staff and patients who may not be familiar with the exact site locations and the other applicable sites in the vicinity. Allowing staff to efficiently search for exam availability in locations that are in the same geographical area.

The screenshot shows the 'Regional Site Scheduling' interface. At the top, there are tabs for Exam1, Exam2, Exam3, Exam4, and Exam5. Below the tabs, there are fields for *Modality (CR) and *Exam (CR Chest 2 Views | 71046). A checkbox for Sedation Needed is set to 0 Minute. The Resources dropdown menu is open, showing a list of resources: All, North, South, West, Digital One, JV Order Entry, Local 54, Order Entry, and Second Opinion. The North, South, and West options are highlighted with a red box. Below the Resources dropdown is a button labeled '+ Add Another Exam'. At the bottom, there are two buttons: 'Edit Screening Questions' and 'Get Schedule'.

Selecting the plus (+) sign next to the region allows you to see the list of locations in that region.

North

The screenshot shows the 'North' region locations list. The 'North' option is highlighted with a red box. Below it, there is a list of locations: Brick, Manahawkin, Toms River, TR Hooper, and Wall. Each location has a plus (+) sign next to it.

South

The screenshot shows the 'South' region locations list. The 'South' option is highlighted with a red box. Below it, there is a list of locations: Black Horse Pike, Cape May Court House, Galloway, Hammonton, Manahawkin, and Somers Point. Each location has a plus (+) sign next to it.

West

The screenshot shows the 'West' region locations list. The 'West' option is highlighted with a red box. Below it, there is a list of locations: Bridgeton, Delsea, Vineland, Glassboro, Hammonton, Mullica Hill, Tomlin, Sicklerville, Vineland, Chestnut, and Woolwich. Each location has a plus (+) sign next to it.

Note: The screenshots above providing the sites associated with each region are for informational purposes only, these are not all the sites associated with that region. When scheduling, only the sites that perform that modality or exam will be listed under the applicable region.

When scheduling an exam(s), select the region you want to schedule in, filtering all applicable sites in that region.
